Baker Contest Rules

- In order to ensure speedy set-up and judging, we will be contacting all bakers the week before the festival to find out what categories you will be entering and what whoopie pies you will be submitting for judging.
- While you are setting up, a volunteer will collect your entries for the *Best Traditional, Best Flavored, and Yankee Whoopie Pie*. You may enter **ONE** Whoopie Pie in each category, but you do not have to enter in all categories.
- New Bakers will designate one of their submitted whoopie pies to be considered for the "Best New Baker" award.
- Bakers may submit an entry for the Most Creative Whoopie Pie Name to the volunteer. This must be the name of a whoopie pie being sold at the festival. However, bakers do not have to submit the whoopie pie itself - just the name.
- Winners of the judged categories will be announced at the Music Stage the afternoon of the festival. We will also visit each winner's booth during the afternoon.
- **Please Be Kind to Our Judges:** These awards are determined by our panel of volunteer judges based on their own standards of Whoopie Pie Excellence. They have a very difficult job, so please do not make it harder by accosting them if their opinion of whoopie pie greatness differs from yours.
- **People's Choice Award:** Again in 2019, we will be selecting the People's Choice Award by text voting. We will post the phone number around the festival, and give you signs for your booth. Attendees will text your baker name to vote for you as their favorite baker. We will have staff who will scan incoming votes and correctly tally misspellings and variations in your name. The People's Choice Voting will close at 4pm along with the festival. This is intended for people who are voting **at the festival**. We will be scanning social media and any bakers encouraging voting by fans outside the festival will be disqualified from the People's Choice Award. Attendees who are unable to text their vote, will be able to vote at the Whoopie Pie Festival Merchandise tent.
- **Yankee Whoopie Prize:** Created by long-time festival judge and whoopie pie aficionado, Jim Bailey the Yankee Chef, the Yankee Whoopie Prize celebrates a whoopie pie that makes the best use of true Yankee Ingredients. The Yankee Whoopie Prize will be judged on its use of one or more of the following ingredients: Molasses, Blueberries, Apples (cider, juice or apple itself), Maple (any maple product), or Moxie. The prize for this contest is a prize package from The Yankee Chef valued at over \$100.

Procedures for Samples and Tokens

Festival goers will receive tokens (wooden nickels) when they enter the festival and can purchase more from the Festival Information Booths for .25 each. They will bring these tokens to you, the bakers, and exchange them for a sample of a whoopie pie. The size of the sample is entirely up to you. You should give them enough of a taste that they'll want to buy some Whoopie Pies to take home, but keep it small enough that you don't run out too soon.

During the festival, volunteers will collect tokens throughout the day. Please keep a running tally throughout the day of the samples you've given out. At the end of the festival a volunteer will collect your total. We will reimburse you .20 cents for every token collected. If you choose to donate the token money to the Center Theatre we will gladly send you a donation letter for tax purposes. The Maine Whoopie Pie Festival is the single largest fundraiser for the Center Theatre supporting our mission of making arts, culture, education, and entertainment accessible to our rural communities.

If you have any questions, please don't hesitate to contact Patrick Myers at the Center Theatre. The best way to get in touch is by email at whoopiepie@centertheatre.org. Thank you!

New Baker FAQ

Here are some answers to frequently asked questions. If you have more questions please don't hesitate to get in touch with Patrick Myers at:

Center Theatre
20 East Main St.
Dover-Foxcroft, Maine 04426
(207)564-8943
WhoopiePie@centertheatre.org

1. **How many whoopie pies should I bring?** The easy answer is "As many as you can." We recommend a minimum of 500 whoopie pies, but expect to run out early if you don't bring more. If you want to have enough to last the whole day we recommend at least 1,500 or 2,000.

2. **When can we setup and break down?** Roads close at 8:00am and you can start setting up. While you can break down before 4pm, you will not be able to bring your vehicle into the festival area until 4pm.

3. **What licensing do we need and will you be reviewing it?** We are not experts on Maine Food Service regulations. Because of this, we will not provide advice. We suggest any questions be directed to the correct agency within Maine State Government. We will also not review your licenses, but in the unlikely event that an inspector from the state is present at the festival it is the baker's responsibility to be in compliance.

4. **How should we set up our booth?** Some people want samples, while others want to buy whoopie pies. We suggest you set up two lines, with signage that can be read at a distance, so if people just want to buy whoopie pies they won't have to wait in the sample line.

5. **Do you provide tables and chairs?** No. If you are interested in renting something in the area, please call Penquis Rental at (207)564-2476.

6. **Do you provide signs for us?** No, you are required to bring your own signage. We strongly recommend a large sign, viewable at a distance, that has a list of the different types of whoopie pies that you are bringing.

7. **How do the samples work?** A large part of the festival is people sampling new kinds of whoopie pies or finding their favorite traditional whoopie pie. We give 4 tokens to everyone who comes through the gate and they can buy more from the Festival for .25 cents each. They will then give these tokens to you in exchange for a sample. Festival volunteers will come around periodically to collect tokens. **It is your responsibility to**

track how many tokens you receive. We suggest keeping track of how many whoopie pies you cut up for samples so that at the end of the day you know how many total samples you gave out. The Festival will reimburse you .20 cents for each sample you give out.

8. **How do the judged prizes and contests work?** We have a panel of festival judges who conduct blind tastings on all entries. The judges do not know what baker submitted the entries they are judging nor do they know the winners until after the judging is completed. They determine the winner for the Best Traditional, Best Flavored, Yankee Whoopie Prize, and other contests. The only contest they do not judge is the People's Choice Award. All prizes and awards will be announced before the close of the festival.

9. **How does the People's Choice voting work?** Attendees will vote for the People's Choice Award by text. We will post the phone number around the festival, and give you signs for your booth. Voting is intended for people who are voting **at the festival**. We will be scanning social media and any bakers encouraging voting by fans outside the festival will be disqualified from the People's Choice Award. Attendees who are unable to text their vote, will be able to vote at the Whoopie Pie Festival Merchandise tent.
